### **Who are we?**

**We are the family, neighbors, and friends of service members who have been deployed in this time of conflict.**

### **What do we do?**

**We meet as a group the third Tuesday of every month at the Tinley Park American Legion Post #615 @ 7 PM. These meetings allow us to work together to meet the needs of the families of members of United States Armed Forces currently deployed in combat in the Middle East. We provide VA benefit information and speakers to help family members understand and cope with their loved ones overseas. We hold fundraisers that allow us to send care packages overseas to the troops and assist military family members in various ways based upon individual need.**

### **Disabled Patriots Fund**

**Our sponsor and charitable organization helping our wounded combat veterans with handicapped equipped vehicles, home modifications and other monetary assistance.**

### **How can you help?**

**Sponsor our fundraisers by donating money or services. Support our fundraising events. Inform us of any service member or family who may need our assistance. Join us in our efforts.**

**Contact Richard Wahlberg 708-460-8411**
